

## Privacy Policy

The R & L Slaughter Ltd website has been designed so that no personal identifying information is displayed is accessible to the general public. You can browse this website revealing any information about yourself. To place orders we will request registration.

### Use of Data.

When you register on this website, we collect basic information. We do not sell this information or distribute it to any third parties. The only purpose of this information is to process your order properly.

When you register and provide us with your email address, we may occasionally send you email with recommendations or notices of new products, prices, and services.

Once you register, you will be given an opportunity to unsubscribe on the first email you receive from us. If you do not initially choose to opt out, you may still do so on each future email.

### Personal Data.

When registering, or for other purposes, you will be required to provide personal information such as the first and last name of a contact person in your organisation. We will ensure that this information is handled in accordance with legislation implementing the European Union directives on the protection of personal data.

### Links.

This website contains links to other websites. Please note that when you click on one of these links, you are leaving this website and entering a completely new website. This new site may have a different privacy policy than ours and the content found on that site is not our responsibility.

### Log Files.

Log files measure traffic that visits this website to help provide reliable service. Information collected includes IP addresses, browser types and pages visited. No personally identifying information is collected.

### Products and Services.

The order, purchase and/or sale of any products and services are subject to the standard terms and conditions of sale of R & L Slaughter Ltd. We reserve the right to make additions, deletions or modifications to this website at any time without prior notification but do not accept any responsibility to update it.

### Information Security.

All information gathered on the R & L Slaughter Ltd. site is stored and maintained in secure facilities. Our website is regularly tested for potential security breaches. Our current security technology is Secured Socket Layer (SSL).

### Subject Access Requests.

Data subjects must make a formal request for information we hold about them. This must be made in writing and subject to satisfactory checks on the subjects' identity. Please contact a Director for further information.

We reserve the right to change these conditions at any time.
